

Homework Week 2 Term 1-2009

homework

SPELLING words: will begin next week
 You will be tested on your Smart words list for the week

Presentation

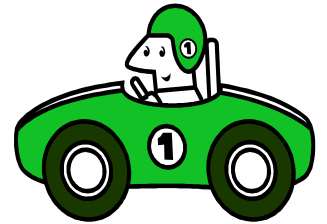

This week

1. Make a border around your work
2. Make the homework fit onto two pages no more please
3. Leave the first page we will make a title page. = 10 pts

2. MATHS

This term we are focussing on our basic facts (addition , subtraction multiplication and division)

This means first knowing your addition & subtraction family of facts .If you know these you will take a challenge sheet of harder numeracy work. This week (on Friday) we will be testing our addition and subtraction facts
